

Lorenzo Fariselli

Regional Network Director, Italy

Behavioral Sciences Specialist with degree in Psychology and Master in Business Strategy.

Lorenzo's area of expertise includes:
Assessment and Theoretical model creation
Emotional Intelligence and Change Management
Network Management

He loves to assist clients developing customized solution for leader, team and organization.

Lorenzo is the coauthor of the Six Seconds Emotional Intelligence Assessment (SEI) and of the Vital Signs Tools (VS) to measure the key drivers of performance and the author of several articles and white papers about the impact of emotions on performance.

In 2006 he started to focus his attention on the Italian market becoming first SEI Master Assessor (2006), Master Trainer for Six Seconds (2006) and VS Master Consultant (2011)

Since 2012 he covers an international role for Six Seconds, the Emotional Intelligence Network.

One of his favorite key concept is wonderfully explained by Steve Job's statement:
"Your time is limited, so don't waste it living someone else's life"
